## Hearings Open On Algonquin Petition To Pump Gas Here

W. I. Murray, executive of the Arlington Gas and Light company, appeared before the Federal Power Commission on Tuesday and testified as part of the Algonquin Gas Transmission company's application to supply natural gas to Arlington and Winchester.

Mr. Murray requested the Power Commission include by reference in the Algonquin hearings the testimony exhibits his company had presented at the hearings of the Northeastern Gas Transmission company, held earlier this year. He stated he was doing this to protect his company and their customers.

The Arlington Gas Light company is one of the prospective customers of the Algonquin company and the entire area now served by the company will receive natural gas if the Algonquin application is approved by the Federal Power Commission. The Algonquin plans for a maximum delivery of about six million cubic feet of gas daily to the Arlington Gas and Light company. This figure would be increased gradually each year until a maximum of about eleven million cubic feet is reached.

## Seven Men Captured At Gunpoint By Lone Arlington Policeman

Early Monday morning, just five minutes after he had been notified, officer Gerald Duggan of the Arlington Police department single-handedly captured seven men at gunpoint who were reportedly wanted for breaking and entering in Littleton Mass.

Monday morning at 6:15 a.m. Sergeant Phillip Sweeney answered a teletype message from the Littleton Police department which read, "Wanted for breaking and entering into a diner in this city, seven men, who, escaped in an Essex sedan heading towards Boston, on the Concord Pike." The description of two of the men were given.

Sergeant Sweeney notified cars eight and nine to proceed to the Concord Pike and form a roadblock and then notified all route officers of the incident.

At 6:20 a.m., five minutes after being informed of the break, officer Duggan called headquarters from his car and reported he had stopped seven men in a Hudson terraplane sedan at the corner of George and the Pike and was holding them at bay with his gun until help could arrive.

Officer Cappella arrived in short order in car nine followed by a State Police cruiser with two officers and officer John Buckley of

## No Ice Causes Ice Box To Heat Result Fire

Sunday night all was quiet at the Fire House and everyone hoped it would stay that way, for the two way radio system was out of order. When the television went off all retired.

Chief Dispatcher Lawrence Beasley was relieved of the watch by dispatcher Charles Smith, when the telephone rang.

A party at 45 Spring st., Arlington reported his ice box was smoking and would someone come and look at it.

Engine two and Deputy Egan were sent to the scene, but as the men drove up Spring st., instead of a smoking icebox they saw smoke pouring out of the windows of the second floor of a two story wooden dwelling.

This was a hot ice box, so Deputy Egan radioed police headquarters who in turn telephoned Fire headquarters and asked for more help.

Box 465 was transmitted and all of Arlington apparatus rushed to the scene.

The fire apparently started in the motor of a refrigerator and before additional help could arrive spread into the walls of the kitchen and pantry of the home of Stanley Morton.

The fire was extinguished in short order but burned the kitchen walls, the ice box and caused damage throughout the house.

## Safety Council Expect Accident Death Rate To Break Records

The fourth is just around the corner, Independence Day, one of the greatest of American holidays, this year it's going to be greater than ever for almost everyone has a five day vacation to celebrate which means thousands heading for the beach and the country to enjoy nature's endowments and forget the troubles of everyday life.

However, the National Safety Council issues an ominous warning in that it expects the accident toll death rate to reach a new high. You could be one of the statistics on the Council's charts.

The PRESS in cooperation with the Arlington Fire, police and safety departments hopes that every one will read the warning signs

printed here and on the highways, DO NOT SPEED. It's better to get where you're going late than not to get there at all. ALWAYS GIVE THE OTHER GUY THE RIGHT OF WAY because he has probably got a dime store license.

WATCH OUT for pedestrians; and traffic lights, TAKE IT EASY on slippery ways and most of all DO NOT SHOOT OFF FIRE WORKS OR LIGHT BON FIRES, both are against the law and you could be seriously hurt.

In publicizing this warning the PRESS wishes to reiterate the pledge made by the Board of Selectmen for the Town of Arlington to the National Safety Council.

"Arlington has been asked by the National Safety Council to join in a nationwide campaign to reduce the annual Fourth of July accident toll. This is an invitation we cannot ignore. It is an invitation that the citizens of Arlington gladly accept. We know that in accepting it we have the wholehearted support of the citizens of Arlington.

No one wants to cause or suffer an accident. Everyone wants to help prevent accidents—and everyone can. This Fourth of July and the weekend proceeding it can be free of accidents if the citizens of the Nation earnestly desire and if they accept personal responsibility for a safe and sane celebration."

### Art Exhibit To Be Shown Here

An exhibition of portraits of English authors will hang in the small gallery of the Robbins Library from June 26 to the end of July. The twenty two prints that will be shown are from the Robbins Art Collection. The group, ranging from Shakespeare to Yeats, include many of the most important English graphic artists of the last three centuries, i. e. Faithorne, White, the 18th century mezzotintists, and Nicholson. In addition to the portraits, Wenz Hollar's famous views of London before and after the fire of 1666 will be shown; this also belongs to the Collection.

### Rubbish Burns

The Arlington Fire department was called to Colonial Drive and Cheswick Road in Kewlyn Manor Monday noon when box 189 was pulled from the street.

Fire officials reported the rubbish in the back of a Town truck had caught fire.

The truck was driven by Michael S. O'Connell 9, Winter Street, Arlington.

Arlington. They formed a cordon around the captured car and conveyed it to headquarters.

Officer George Alexie in car seven was detailed to watch the Pike just in case the wrong men had been apprehended.

When the men arrived at the station it was discovered that four of

them were juveniles. According to police their age were 13, 15, 16, 18, 25, 30.

Sergeant Sweeney with officer Duggan questioned the men in a group but to no avail. Then the sergeant took one of the juveniles aside and reportedly asked him, "How did you break into the diner?" He allegedly replied, "We got in through an open window in the back."

The seven then allegedly confessed to the robbery and were booked for breaking and entering in the nighttime and held for Littleton authorities.

Monday afternoon the seven men were taken to Ayer Court where they were to be tried. Their case was continued until July but before it was put aside the Judge said "The Arlington police department especially Sgt. Sweeney and officer Duggan should be highly commended for the excellent and timely peice of police work they had accomplished."

Muriel Stimpson and Nancy Redden of Arlington were among the group of 72 girls who left North Station Monday for Camp Gaywood, Oakland Me. This camp is a service of the Red Feather Community Fund.

The troop has had an interesting year under the able guidance of Troop Committee Chairman, Dr. Ralph B. Lancaster, aided and abetted by a large committee, which had to be large to handle the demands made by a steadily increasing influx of "Tenderfeet" nearly twenty in all, together with almost as many more old members. The Troop has operated under very capable leadership. Carleton "Zeke" Finch has been a power as Scoutmaster, and has had splendid support from his Assistants, George Riese, Ronny Simonds, Bill Berry and Junior Assistant, Dick Barker. All activities of the Troop have been outstanding in their enterprise and enthusiasm. Its members have advanced steadily from tenderfoot to Second Class, and onwards with Dick Mardigan, Thomas Quinn and others qualifying for numerous merit badges. Senior Patrol Leader, Ralph Stevens, Jr. achieved his Eagle award in February, and is now Troop 8's delegate to the jamboree at Valley Forge. Winter swimming at the "Y", the Willard Brook trip, with its large attendance, and latterly, the canoe trip, for which the boys really "went overboard", all have marked a happy, successful and enjoyable year. Five boys received 2nd class badges at Parent's Night — Robertson, Young, Peter Lane, Larsen and Downs, while Mardigan and Stevens annexed several merit badges, and Mardigan, Thomas Quinn and Robertson placed 1-2-3 in the efficiency contest.

Cub Pack 43 won its final game 14 to 3 over Cub Pack 85 at Fenway Field. This gives Pack 43 five wins to one defeat. The game was featured by home runs hit by Timothy Donovan of Pack 85 and Marshall Thompson of Pack 43. Pack 43 starting line-up was John Wilson P. James Quinn c, Marshall Thompson 1b, David Mudarri 2b, Ronald Boyagian ss, Richard Troy 3b, Edgar Groome rf, Stanley Masters cf, Thomas Weisskopf lf, Substitutions included Mark McGrath, Warren Geroni, Arnold Bradford, Albert Connors and Peter Jorgenson. Other Cubs who played in more than one game this season were Alan MacDonald, Robert Fleming and Paul Cody.

Ralph W. Buckley, seaman, U.S.N., of 57 School St., arrived in Newport, R. I., May 23, after a four-month cruise in the Mediterranean as a crew member of the destroyer USS Hanson. While in the Mediterranean he was afforded an opportunity to visit many of the countries in Europe, Asia and Africa.

## Three Year Title Lost Here Saturday

Ernie Doherty and Jim Harvey, three year title holders of the member-guest tournament, at the Winchester Country Club ended Saturday when Joe Kierce of Concord and Joe Monahan ousted the title holders 1 up in the quarterfinal round of the tournament.

Kierce and Monahan assured themselves of victory when Joe hit the par three 14th.

### Martin and Geary Win

Eddie Marin home club favorite and redheaded Cal Geary, who shared Friday's medal honors with the Sullivan-Monahan tandem, maintained their sub-par pace despite the oppressive heat.

Martin, enjoying one of the best seasons of his career, was two under both morning and afternoon, and was fractions away from a hole-in-one on the ninth in his matinee match. Big Eddie's eagle three on the 475-yard 12th clinched a 2 and 1 verdict over Bernie Doherty.

Woburn and John Reynolds after he and Geary had eliminated Jim Kelley of Fresh Pond and Bill Zirkel, 3 and 2, in the opening match play round.

The Martin-Geary combine's semifinal opposition will be supplied by Joe Batchelder of Salem and Dave Shean, veteran swingers who defeated Ned Moran and Walter Wilcox, 3 and 2.

Ernie Doherty and Jim Harvey abdicated their tourney throne only after a stout battle. Three down at

the 12th ee, they fought back into contention when Doherty fired an eagle three on that hole and delivered a winning birdie four on the next. Monahan dugged the 14th to send his team 2 up again. Doherty and Harvey took the 16th with a par, and the last two holes were halved.

The longest match of the program was in the second flight, in which Dick Durant and New York'er Oakes Ames had to go 24 holes to edge Clarence Cochran and C. F. Berthel. The champion-ship flight consolation activity will also feature a family feud when the home club's Zirkel twins, Bill and Bob, clash in an early match.

### CHAMPIONSHIP FLIGHT

#### First Round

Cal Geary, Concord, and Edward Martin def. Jim Kelley, Fresh Pond, and Bill Zirkel, 3 and 2.

Browns 0 1 0 0

Pirates 0 1 0 0  
Red Sox 0 1 0 0

Highlights  
The second half started off with a bang as the favored Red Sox were upset by the Yankees in a thriller.

Cadagan and Martens were locked in a pitchers duel for seven innings with Martens striking out 11 and Cadagan 5. A hit, stolen base and an error was the margin of victory for the Yankees who continue to knock over the league leaders but lose to the weaker clubs.

The Tigers started off by unveiling their 1949 star pitcher in his first start of the year. Nucci gave up 4 hits for his first win. It is rumored that he has been suffering from arm trouble but he showed no signs of it Monday. The Pirates are in favor of more players and any candidates should report to Purcell Field next Friday night to Mr. Soot for a tryout.

The Braves and Cardinals were the first clubs to fall afoul of the new 7 inning rule. We hear that the game went 9 innings and ended with quite a ruckus about a steal of home in the last inning. Tie games after 7 is the new rule. Both McCarthy and Kiniry pitched 4 hitters with McCarthy pitching his best game of the season. Once the Braves get rolling they are going to cause trouble.

The Dodgers came from behind again by aggressive baserunning to overcome an early 3 run deficit in the last 2 innings. Seery starts his first game for the Dodgers and won his second victory being in trouble only in the first innng. Wolfman pitched well for the Browns but his mates were guilty of poor support at the crucial times.

Next Weeks Games Monday at 6:15 P. M. Cardinals vs Pirates at Purcell

Browns vs Yankees at Spy  
Tigers vs Braves at Robbins  
Red Sox vs Dodgers at Summer.

The game of the week is at Summer St. next week which will be a replay of the 1 to 0 ball game won by the Red Sox in the first half. The Red Sox are the favorites as the Dodgers have lost 4 starters including their pitcher, Dolan who is leading the league in strikeouts, due to injuries. Martens the Sox star pitcher is primed for a win but

anything can happen when the Sox start hitting and the Dodgers start running those bases again. Come out and see the games. A night of thrills watching the local boys.

## UNIVERSITY THEATRE

"The Reformer and The Redhead," the rollicking new romantic comedy coming to the University Theatre Sunday marks the first appearance together on the screen of June Allyson and Dick Powell (Mr. & Mrs. Powell) since their marriage. It is a laugh loaded story of a zoo-keeper's daughter and a crusading lawyer who vanquish both growling animals and bellowing politicians.

"The Outrider", the companion film, features Joel McCrea and Arlene Dahl. Filmed in Technicolor against the spectacular mountain and canyon settings of Utah, here is he comWpelling story of three Yankees who escaped from a Missouri prison stockade during the Civil War and embark on one of the strangest adventures to be shown on the screen in a decade of film-making.

On Wednesday, Review Day, the "haves" co-starring Greer Garson, Walter Pidgeon and Elizabeth Taylor and Barbara Stanwyk in "Sorry, Wrong Number".

Willard J. Slagle of Hutchinson  
Road, Arlington, operator of Slagle  
Restaurant of Spring Lane, Boston,  
was unanimously elected President  
of the Massachusetts Restaurant  
Association at the annual Meeting  
and Outing recently held at Pine  
Brook Country Club, Weston.

Mr. Slagle, who holds a degree in  
Chemical engineering from M. I. T.,  
inherited his restaurant interests  
from his father, who had formerly  
been general manager for a promi-  
nent mid-west hotel chain. In three  
years, Mr. Slagle built the business  
into a chain of three Boston res-  
taurants, a catering service, a 150  
acre farm at Bridgewater Mass.,  
which supplied the feeding units  
with garden-fresh produce.

World War II brought a halt to  
the expansion program of the res-  
taurant business. Because of his en-  
gineering background, Mr. Slagle,

a captain in the army reserve, was  
called to active duty to help orga-  
nize the Chemical Warfare Service  
Department Laboratory at M. I. T.  
This he commanded until his dis-  
charge as a full colonel in 1945.

Because wartime duties prevented  
the necessary supervision of a  
chain of restaurants, Mr. Slagle  
sold all but the original Spring  
Lane property which he now op-  
erates holder of a number of chem-  
ical and engineering patents in his  
own home, he has installed a num-  
ber of mechanical innovations to  
improve service at his restaurant.  
Among these are a glass-washing  
device and a water-heating system.

The new Massachusetts Restau-  
rant Association President lives in  
Arlington with his wife, the former  
Ellen McKelson of Somerville and  
three children, Andy, Bonnie and

## Hardin-Nash

Mrs. Olive Leslie Nash of 23  
Russell st. announce the engage-  
ment of her daughter, Jacquelyn,  
to Howard W. Hardin of 10 Nourse  
at. Both Miss Nash and Mr. Hardin  
are graduates of Arlington High  
School Class of 1949.

Miss Nash is now a dental as-  
sistant for Dr. Carroll. Mr. Har-  
din is employed by the Raymond  
S. Pearce Construction Company.

## Dickie-Fisher

Mr. and Mrs. Everett C. Fisher  
of Edgartown, Mass., announce the  
engagement of their daughter, Do-  
rothy Jane, to Paul G. Dickie, son of  
Mr. and Mrs. Rodman L. Dickie of  
Arlington.

Miss Fisher is a graduate of  
Bridgewater Teachers' College and  
is now teaching at Oak Bluffs.

Mr. Dickie is a graduate of Ar-  
lington High School and was re-  
cently graduated from Bridgewater  
Teachers' College. In September he  
will teach mathematics and science  
at the Vineyard Haven High  
School.

## Four Graduated As Nurses Sun.

The 173 nurses graduating from  
five Catholic hospital schools of  
nursing were urged by Archbishop  
Richard J. Cushing Sunday to  
"always think of nursing as a voca-  
tion, a call to work for God in the  
service of a particular group of  
God's creatures."

The Archbishop celebrated a solem-  
n pontifical mass and presented  
diplomas to nurses graduating  
from St. Elizabeth's Hospital,  
Brighton; St. Margaret's, Dorches-  
ter; Carney, South Boston; St.  
John's and St. Joseph's, both of  
Lowell, at Holy Cross Cathedral.

"A secular mind," he said, "pre-  
fers to talk of nursing as a profes-  
sion. Such a person will have little  
or nothing to say about the sanctity  
of your vocation or about its divine  
responsibilities, but will have much  
to say about the dignity of your  
profession and about its profes-  
sional rights."

"The beauty of nursing, the se-  
cret of its true dignity is that nurs-  
ing is a vocation—the vocation of  
serving Jesus Christ in the person  
of his poor. Never forget that you  
have more than a trade, more than  
a profession—you have a vocation."

Among the graduates were four  
local people; Dorothy L. Hession of  
Arlington and Martina Murphy of  
Winchester, graduated from St.  
Elizabeth's; Anna P. McCarthy of  
Arlington and Dorothy C. O'Con-  
nell of Winchester, graduated from  
Carney Hospital.

**BOMBS**  
bursting in air...

Centuries ago man invented gunpowder. Then he learned how to use that gunpowder to create beauty!

And so, on the Fourth of July we celebrate Independence with fireworks.

Our own generation has unleashed the stupendous power of the atom. Will we be so busy building bigger and more destructive bombs that it will take us centuries to learn how to use that atomic power to create beauty?

Our Independence will never be complete until all of our implements of war can safely be turned into instruments to create beauty. And the only course of life which has ever given promise of such a day is, the Christian religion our churches teach.

America led the world to Democracy. America can lead the world to Christ!

**THE CHURCH FOR ALL... ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# PETER and THE HOUND

CAMPAIGN CALL—Registrar of Motor Vehicles Rudolph F. King receives a visit from five-and-a-half year-old Richard Bermingham of Jamaica Plain and a dachshund dog in the interest of pedestrian safety campaign for pre-school and early school age children. Jamaica Plain youngster and the dog enact role of "Peter and the Whiffle-Hound" in the campaign of the same name sponsored by Liberty Mutual Insurance Company. Registrar King is supporting the safety drive which will include visits to principal Mass. cities by Peter and the Whiffle-Hound.

# Census Report To Include Larger Area

At the request of local and Boston businessman Earnest Caviechi of Arlington. Representative Henry E. Keenan wrote to the Census Bureau in Washington to determine if it was possible to have Metropolitan Boston listed with the Boston census in order to have Boston rated higher in the census listing. It was understood that his request was not for incorporation of the Metropolitan Boston area but to simply call to the attention of the world that Boston is made up principally of smaller communities within a short distance of the State House. Many other cities have in the past gathered in small communities in the census report and set themselves a higher listing in the census report.

In a reply, however, from the Census Bureau in Washington it was pointed out by the director that the area for computation has been set up some time ago by an act of Congress and a determination by the Census Bureau that Boston would be listed separately but Metropolitan Boston would be reported including many more communities than has been in the past. It has been the habit of referring to Metropolitan Boston along the lines of the Metropolitan Transit System which only includes fourteen cities and towns. However, this year with the inclusion of many more communities, Boston and Metropolitan Boston will be recorded in the higher brackets of population listings.

The following cities and towns will be included in this new set up: Metropolitan Boston now includes all Suffolk County, as well as Cambridge, Everett, Malden, Medford, Melrose, Newton, Somerville, Wal-

# A. S. Degree At Lassell

Barbara Chace and Lillian I. Reese were graduated from Lassell Junior College in Auburndale on Monday, June 12.

Miss Chace, who is the daughter of Mr. and Mrs. Myron D Chace of 74 Grandview Road, Arlington, received the degree of Associate in Science in the Retailing Curriculum. At Lassell, she was a member of the Crew and the Orphean Club.

# Chosen As Red Feather Leader

Daniel F. O'Grady, commercial supervisor of the New England Telephone and Telegraph Company is one of 10 key leaders chosen by Chairman Forrester A. Clark to head the fund-raising divisions in the 1951 Red Feather campaign next fall. As chairman of the Boston Commercial Division he is now supervising enrollment of 2,000 volunteers in the 39 city districts under his direction.

A resident of Arlington, Mr. O'Grady is cubmaster of Pack 86. Boy Scouts, local Red Feather youth service, and has served as volunteer in the annual Community Fund Campaigns in his home town. The coming campaign will be administered for the second year by United Community Services of Metropolitan Boston, combining the former Greater Boston Community Fund and Community Council.

Summing up his acceptance of this important post, he says he is "firmly of the opinion that there is no method of better caring for the social service and health needs of the community than by the combined efforts of all in Red Feather campaigns. From the viewpoint of both workers and givers, the desired results can be accomplished with a minimum of solicitation effort and inconvenience."

He is a graduate in civil engineering, Worcester Polytechnic Institute, 1930, and served as army captain in Military Government in Koblenz and Bremen. The O'Grady's home is at 529 Summer street, Arlington, have two children Joyce, 16 and eleven-year-old Daniel, Jr.

# Smuggled Fireworks Are Being Sold Here

Tuesday afternoon, Chief Richard J. Tierney of the Arlington Fire department caught a young boy at the reservoir beach who reportedly had six two inch salutes in his possession.

The chief confiscated the fireworks, as it is against the law to either sell them or shoot them off, and then asked the boy where he had gotten them.

Apparently the fireworks were purchased from four men, in two different cars, who are travelling to each playground and selling these fireworks to youngsters.

Chief Tierney warns the law will be enforced here regarding use of explosives and fireworks on the 4th. These fireworks are contraband goods purchased in another State and smuggled into Massachusetts to be sold.

Therefore if your child has purchased any of these salutes, notify the chief at Fire Headquarters in order to insure a safe and sane 4th.

A bon voyage luncheon was given for Mrs. J. B. Bertolami of 8 Milton St., at the home of Mrs. Sophie Madigan last Wednesday. Mrs. Bertolami will sail for Europe on

*Independence*  
IN THE LIGHT OF  
*Today*

To have liberty as a nation is not enough.  
The individual must be free as well.  
Man must be free to make his own choice... follow his dream... work where he pleases... go into business for himself if he likes... enjoy the fruits of his enterprise... better himself as he wishes, in the true wide-open-opportunity way of America.  
To that end, Government must be the servant of the people—not their master.  
Individual freedom is destroyed when Government enters into competition with business-managed, tax-paying companies... or seizes control of the necessities of life or the ways to make a living.

I Wonder

I WONDER if the Korean situation could have anything to do with the increasing number of World War 2 uniforms being cleaned and brushed up at the local cleaners?????

I WONDER if we are going to have to see a police officer killed before the second man is put back in the police cruisers?? Monday morning's luck cannot last.

I WONDER if the drivers of the ever increasing number of cars in the new parking lot shouldn't arrange themselves so that the all day parkers would park in the back, leaving the Mytic street side clear for the shoppers, who are carrying heavy bundles.

I WONDER how in the world any one is supposed to see the STOP sign at the corner of River and Warren Streets? It's covered by trees.

I WONDER what became of Jack O'Briens newly purchased car? Or for that matter where is Jack? Since the arrival of the new boat he has been conspicuously missing.

I WONDER if the park department could inform a heigh's resident as to why the club house and water fountain at the Reservoir field have been shut up for two years???

I WONDER where these hills are that everyone has been talking about the last few days??? They all seem to be heading for them.

I WONDER how many people have seen the beautiful mural at Fire Headquarters depicting the ancient Eureka rushing to a fire?? It was done by John Pirelli a member of the department. A brilliant piece of work....

I WONDER if you have noticed the new MTA platform in the center. A definite improvement over the wooden structure.

PARK DEPT. NOTES

**SUMMER CRAFTS INSTITUTE**  
Instruction in various forms of crafts for boys and girls of Junior High age will begin at Junior High West last Monday morning, June 26, at 9:00 A. M. This course is being offered as a part of the

summer institute with the Park Commission as the sponsoring agent. Mr. Ralph Gioiosa, Shop Instructor at the Junior High West, will conduct the Institute and the facilities of the Junior High West Shop will be available to the youngsters. Registration for this course may be made by direct application to the Park Commission office at 33 Ryder Street, or to the Guidance Department at Arlington High School. Registration fee will be \$2. which will be returned to the youngsters if they attend 90 per cent of the classes.

NEAAAU

**NEAAAU Swim Meet** at Reservoir Beach. Word was received today from the New England Association of the Amateur Athletic Union that they will conduct a Championship Swimming Meet at Reservoir Beach on Saturday afternoon, July 15, 1950, at 2:30 P. M. sharp. Ben Levia, of the Athletic Union has scheduled the following events for the Swim Meet:

WOMEN'S EVENTS

New England A.A.A.U. Senior 800 Meters Freestyle—Championship  
New England A.A.A.U. Junior 200 Meters Backstroke—Championship  
100 Meters Breaststroke—Open  
50 Meters Freestyle—Open to Girls  
14 Years of Age and Under—Residents of Arlington only

MEN'S EVENTS

New England A.A.A.U. Senior 300 Meters Individual Medley—Championship

New England A.A.A.U. Junior 400 Meters Freestyle—Championship  
100 Meters Backstroke—Open  
50 Meters Freestyle—Open to Boys  
14 Years of Age and Under—Residents of Arlington Only

Levia, in assigning these events to Arlington, claims that of all the outdoor swimming areas in which meets were conducted last year Reservoir Beach presented the best facilities and, therefore, the above outstanding swimming events in the lengthy schedule of Swim Meets, by the N.E.A.A.U., were scheduled for Arlington.

Registration by Arlington residents for his Swim Meet can be made by applying to the Park Department office at 33 Ryder Street, Arlington, or to Myles McNally, in charge.

CRAFTS INSTITUTE OPENS SUCCESSFULLY AT JUNIOR HIGH WEST

Approximately forty youngsters have signed for the daily Crafts Program sponsored by the Summer Institute, and directly supervised by the Park Department, at the Junior High West Manual Arts Shop. Ralph Gioiosa, popular director of this program, was amazed at the enthusiasm and ready re-

sponse of the youngsters to this program of skilled crafts in wood working, plastics, leather, hooked rug making, gimp braiding, etc. Any youngster in the Heights area wishing to register for these daily classes should report at nine o'clock in the morning directly to the Junior High West and introduce himself to Mr. Gioiosa.

Because of the response to this Crafts Program, and feeling that youngsters in the East section of the town cannot attend because of the travel involved to the Junior High West, the Park Commission is now making plans for the establishment of another Crafts Center to be conducted by Mr. Gioiosa in the afternoons at the Hardy School. Any youngster or parent wishing to register for such classes should contact the Park Department at 5-3156. Upon the registration of a sufficient number of youngsters this program will be launched.

STATE OK'S WATER AT BEACH

The Board of Park Commissioners received an official communication from the Board of Public Health, Commonwealth of Massachusetts, confirming an earlier telephone conversation that the water at our beach was suitable for bathing purposes. The State suggests that the use of copper sulphate be used from time to time to control the growth of algae and other weeds. The State also commended the Board for the excellent condition of the facilities of the beach for Arlington residents.

BEACH REGISTRATION

The Park Department has been busy during the past two weeks registering over 3,000 people for Identification Cards which will allow them access to the beach. At this time, the Board wishes to acknowledge the excellent cooperation of all school principals who during the last week of school registered any child who applied for an Identification Card.

SWIM MEET—JULY 15th

The first of two Swimming Meets will be held at Reservoir Beach on Saturday, July 15, 1950, at 2:30 P. M. sharp. Although this Meet is open to all holders of a New England A.A.A.U. registration number, there will be two of three events limited to residents of Arlington only; one a 50 Meters Freestyle open to girls 14 years of age and a 50 Meters Freestyle open to boys 14 years of age and under. Medals and trophies will be given to the winners of these events.

M. and, in addition to providing daily instruction, will certify all youngsters who can pass the various swimming tests. A suitably inscribed Red Cross certificate will be given to those who successfully pass these tests. The Park Commission is very grateful to Mrs. Herbert W. Reed, Chairman of the local chapter, and to Alex Houston, Director of Water Safety of the Boston Metropolitan Chapter, for providing this service to the town without cost.

PLAYGROUNDS

Twelve playgrounds opened last Monday for supervised play activity by the Park Commission. All types of games and crafts material were made available on each playground and the youngsters reporting to the various areas received the program very enthusiastically. Each area is now busily engaged forming teams in the various sports and will begin Monday, July 3rd, participate in inter-playground competition. Youngsters were also advised of the various Special Events on each playground during the week.

Featured among the activities next week on all areas will be doll carriage parades, pet shows, hat shows, freckles and polka dot contest, and costume shows. Plan are on under way for a parents night on all playgrounds during the week July 10th to 14th.

ALL OUT-OF-TOWN CANCELLED IN PLAYGROUND PROGRAM

The Park Commission announced today that, because of a technicality in the law, all trips planned by the department that would take youngsters outside of Arlington must be cancelled. This action was taken after investigating the statute of general laws which enables the Park Commission to function in recreation. Everett J. Henderson, Chairman of the Park Board, has expressed the regret of the Commission in cancelling these very popular programs, especially the trip in which 1,200 people from Arlington were to be guests aboard the H.M.S. Boston Belle on an excursion to Provincetown in August.

LETTERS TO THE EDITOR

Arlington Emblem Club No. 46 wish to thank your paper for the wonderful publicity you have given us during the past months.

We have closed our meetings for the summer and will resume in Sep. and are looking forward to our contacts with you again.

Officers and members want to wish you and yours a very pleasant summer.

Thanking you, I remain,  
Mary D. Stella,  
Press Correspondent

In a statement published in the local papers recently wherein the information was given that a person was eligible to register and vote if he becomes of voting age before August 18, 1950 he may register and vote. Representative Keenan, who is a member of the Committee of Election Laws, states that the law is as follows:

Under Section 46 of Chapter 51 of the General Laws. If upon examination the registrars, or absent registration officers, as the case may be, are satisfied that the applicant for registration has all the qualifications of a voter except that of age, and that he will on or before the day of next election or town meeting attain full age, they shall place his name on the register.

Therefore, by the authority under this statute anyone who becomes of voting age before the next election which is the primary election on September -9, 1950 can register now to be a voter on election day. However, he must register before August 18th which will be the last day of registration for the primaries. If anyone becomes twenty-one years of age between September 19th and November 19th he can register after September 19th but he must do so before October 6th to be a registered voter for the November 7th State election.

Representative Keenan calls this to the attention of the reading public because he thinks that young people should take an active part in their town, city, and national government and one of the most important steps is to be a registered voter.

ed voter.

A group of workers interested in the re-election of Representative Keenan has just completed the task of mailing out some six thousand cards to unregistered voters in the town informing them that they can register any business day at the Town Hall, Town Clerk's office between the hours of 9:00 a.m., and 5:00 p.m., but they must register thirty-one days before the actual day of voting. The next town voting days will be September 19, 1950 for the primaries and November 7th, 1950 for the election.

In mailing out these postal cards obviously some errors will occur due to the fact that some of the names have been dropped off because the registrar has not been notified of a change of name by marriage or moving to another precinct or failure to return a postal card left by the census taker or a card sent to them by the registrars. Anyone can easily ascertain whether or not he is a qualified voter by calling the Town Clerk's office or the office of Representative Keenan. ARlington 5-0900.

With the many problems presented today by the towns, states, and national authorities it is fundamentally necessary that all people of voting age should register.

FIRE DEPT. NOTES

Harold (Skeets) Vincent and James Kelly, privates on the department will be married Saturday and Sunday respectively. Best wishes to both of you from the men Sparks and reporters of the department.

FIRE DEPT. NOTES

Cigars were in order last week, when private Joe Cronin became the proud father of a baby boy. Mother and child are doing well, so is the old man.

Miss (I can't mention her name, on orders) reports that poor Polly isn't recovering very well from her recent sickness. (She the parrot) hasn't said a word since its recent attack of pneumonia. Everyone misses the "Shut Up" at two o'clock in the morning.

Two new men have been appointed to the department this week. The Board of Selectmen announced the appointment of Robert L. Dorrington, 15 Whittemore Street to replace Horace G. Aiken, who retired and John J. Karey, 10 Maynard st., who will replace Thomas G. Cronin on a leave of absence.

Confusion reigned for a few minutes last Tuesday night when the mutual aid light from Lexington banged in. Everyone waited for the alarm which should have followed but none came. Chief Dispatcher Lawrence Beasley walked over to the board to shut off what he thought was a spare blow, but when he flipped the shut off lever nothing happened. The light stayed lit.

An immediate conference of dispatchers was held and a call to Lexington settled the matter.

A car had hit a fire box in front of the Lexington police station putting three circuits out of order. Mutual aid was carried on by telephone until the system was fixed.
